ABOUT US

Trip with Nomads, is collated and developed with a real group of nomads like you and I who are consumed by wanderlust. Who just love to explore places. Travel is our passion and today's travelholic youth is the fundamental unit of our foundation. We are a group of hustlers who have visited, collected insights, generated first hand experiences and then curated the best fit services for your unmatched experience (exclusively for you).

We are running 24x7 for your distinctive preferences so as to offer you the finest with comparatively economical and reasonable budget because we understand that most adventurers are from our generation who are looking for best output with least input.

ABOUT THE DESTINATION

Tirthan Valley derives its name from the Tirthan river, which winds its way through it. The pristine river originates from the icy cold glacial springs of Hanskund, a snow-capped peak in the verdant Great Himalayan National Park (GHNP). Tirthan is an offbeat destination that has something for everyone. This quiet valley is ideal for trekking, fishing, wildlife watching, and discovering under-explored hill villages. There's also the option of doing absolutely nothing as you relax among the pine trees in the valley.

Jibhi and Tirthan are serene, picturesque valleys nestled in Himachal Pradesh, India. Jibhi captivates with its lush green forests, waterfalls, and traditional architecture. Tirthan, known for the Tirthan River, offers scenic trekking, trout fishing, and eco-tourism. Both destinations enthrall visitors with their tranquility, natural beauty, and adventure opportunities.
